

Dolphin Room

February, 2008

Hello Dolphin Families,

Can you believe how rapidly our little Dolphins are growing before our eyes? We have seen how much they have grown by the many activities we have been working on. It's wonderful to see the progress of our Dolphins in being able to sit and focus on stories and Spanish time from beginning to end. It is great to watch this progress and see how they are able to follow our daily routines with such confidence.

In this very short month of February we focused on friendships; how we can be gentle with our friends and how to take care of our friends. It is great to see our Dolphins begin to develop friendships. Most of the Dolphins have a special friend now, who they help and play with. I'm sure you hear their names at home! We had a great time on Valentine's Day with our friendship party. Our day was filled with fruit salad, strawberry and banana smoothies, decorating cookies and passing out valentines. We would like to thank all the parents that helped make the party a hit! We have also had fun this month working on Jungle Animals. We have painted an elephant, zebra, giraffe and made animal print collages. The Dolphins have really liked exploring many jungle animals.

Starting March 3, 2008 the potty training camp begins. Please remember to read the contract carefully and answer the questions carefully. Remember this should be a positive experience for your child. We ask you to remember that your child will tell you when he or she is ready for potty training (please, let's not push our little ones), the year is not over yet! Let's make this an exciting experience for our dolphins.

Please remember, if you have any questions don't hesitate to ask!

Thank you,

Sandra and Brandy
