Session III

March 8-May 7

This session's enrichment classes offer ways to develop body, mind and spirit. Our classes are led by instructors who offer a wealth of experience beyond the borders of the classroom.

There will be three sessions of enrichment classes offered this year. Each class meets once a week during the session. For example, if your child's class is on Tuesday, it meets every Tuesday during that session, unless otherwise noted.

Please complete the attached enrollment form and turn it into the office by March 1, 2010. Tuition must be paid before the first class meeting. Make checks payable to RMDS.

PLEASE NOTE:

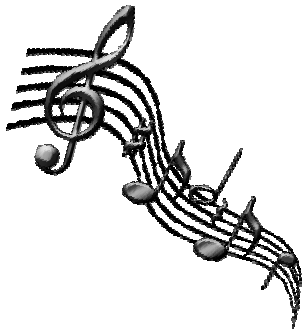

Classes with low enrollment will be cancelled. You will be notified the Friday before classes begin if there is a cancellation. There will be no classes April 5-9 for Spring Break.

TUESDAY

Music
With
Lee

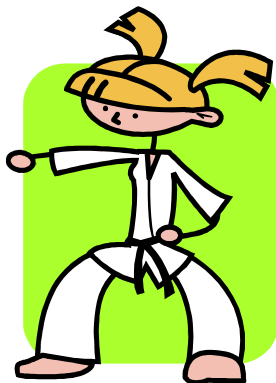

MUSIC IS EVERYWHERE! There is music all around us, from the first bird song heard upon waking, to the crickets chirping us to sleep. If we take the time to listen we will hear the music of life. I found my way to teaching in 2005. My goal as a teacher is to cultivate a lifelong Love for Music in young hearts and minds. Class consists of a pinch of theory and loads of FUN! During a typical 30 minute session we listen, interact, dance, laugh and sing sing sing! Over time students learn basic music terms, notation and rhythm patterns. We'll explore various music genres, and discover the wide range of instruments used around the world. I will also bring instruments for students to play, a favorite part of music time!
